INTRODUCTION TO THE PUBLIC ACCOUNTS OF CANADA

Nature of the *Public Accounts of Canada*

The *Public Accounts of Canada* is the report of the Government of Canada prepared annually by the Receiver General, as required by section 86 of the *Financial Administration Act*. It covers the fiscal year of the Government, which ends on March 31.

The information contained in the report originates from two sources of data:

- the summarized *Statements of accounts* prepared by the Receiver General, and submitted to the Receiver General; and
- the audited records, maintained by departments and agencies.

Each department and agency is responsible for recording its accounts in the central accounts of the Receiver General, and for maintaining accurate records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, particular responsibility to undertake transactions is placed on the legislature, as provided in certain laws.

Format of the *Public Accounts of Canada*

The *Public Accounts of Canada* is prepared in three volumes.

Volume I presents a summary of the financial transactions of the Government.

Volume II presents the financial statements of the Government, aggregated by major regions.

Volume III presents supplementary information and analyses.

INTRODUCTION TO THE *PUBLIC ACCOUNTS OF CANADA*

Nature of the *Public Accounts of Canada*

The *Public Accounts of Canada* is the report of the Government of Canada prepared annually by the Receiver General as required by section 64 of the *Financial Administration Act*. It covers the fiscal year of the Government, which ends on March 31.

The information contained in the report originates from two sources of data:

- the summarized financial transactions presented in the Accounts of Canada, maintained by the Receiver General; and
- The detailed records, maintained by departments and agencies.

Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

Format of the *Public Accounts of Canada*

The *Public Accounts of Canada* is produced in three volumes.

Volume I presents a summary analysis of the financial transactions of the Government.

Volume II presents the financial operations of the Government, segregated by ministry; and

Volume III presents supplementary information and analyses.

Canadian Grain Commission Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Grain Commission Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimate and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's Departmental Performance Report is consistent with these financial statements.

The Canadian Grain Commission's Finance Division develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded so as to maintain

accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communicating programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, these financial statements have been examined by external auditors. The auditors' role is to express an independent opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2008 and the results of operations and the change in financial position for the year. This opinion has been appended to these financial statements. The Commission, serving as the audit committee of the Fund, has approved the issuance of the financial statements.

AUDITORS' REPORT

TO THE CHIEF COMMISSIONER AND COMMISSIONERS
OF THE CANADIAN GRAIN COMMISSION REVOLVING FUND

We have audited the statement of financial position of the Canadian Grain Commission Revolving Fund as at March 31, 2008 and the statements of operations, change in excess of financial assets over liabilities, accumulated surplus and cash flows for the year then ended. These financial statements are the responsibility of the Revolving Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Revolving Fund as at March 31, 2008 and the results of its operations and its change in excess of financial assets over liabilities and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)

1. Authority and objectives

The Canadian Grain Commission (CGC) derives its authority from the *Canada Grain Act*. The CGC's mandate as set out in the Act is to, in the interest of producers, establish and maintain standards of quality for Canadian grain and regulate grain handling in Canada, to ensure a dependable commodity for domestic and export markets.

Bill C-39, an act to amend the *Canada Grain Act (CGA)*, has been introduced in Parliament. The Bill includes reforms that are based on recommendations from the 2006 reports by COMPAS Inc. and the Standing Committee on Agriculture and Agri-Food and reflect the government's commitment to reducing regulation and mandatory costs to the grain sector, including producers. The bill is currently in second reading. Accordingly, there have been no changes to these financial statements resulting from the proposed legislation.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

Revenue and expense recognition

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or when an event giving rise to a claim has taken place. The majority of service fees such as weighing and inspection activities are dependent on grain volumes handled. Revenues that have been received but not yet earned are presented as deferred revenues. Deferred revenue is primarily received for licensing fees which cover a 12 month period.

Unless otherwise disclosed, expenses are recorded in the period they are incurred.

Parliamentary appropriation

The ongoing Parliamentary appropriation received for the Appointments by the Governor in Council of Assistant Commissioners and Grain Research Laboratory expenditures has been recorded as revenue of the Canadian Grain Commission Revolving Fund (the Revolving Fund or the Fund).

Parliamentary appropriations relating to employee severance entitlements earned prior to April 1, 1995 are recorded as an account receivable from the Treasury Board when paid by the CGC.

Accumulated net charge against the Fund's authority (ANCAFA)

The accumulated net charge against the Fund's authority is the amount of the Revolving Fund's non-lapsing authority that has been used since its inception.

Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. Allowances are established for all accounts for which interest or principal payments are 180 days past due.

Non-financial assets

Non-financial assets and tangible capital are accounted for as assets by the CGC because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the CGC unless they are sold.

Tangible capital assets

Certain assets previously under the custody of the Department of Agriculture and Agri-Food Canada were assumed by the Revolving Fund on April 1, 1995. The assumed assets were considered to be contributed capital and recorded at the Crown's estimated net book value. Assets acquired subsequent to April 1, 1995 were recorded at cost. Proceeds from the disposal of capital assets are retained by the Revolving Fund.

All tangible capital assets and leasehold improvements with a cost equal to or greater than \$10,000 are capitalized at their acquisition cost.

Assets are amortized on a straight-line basis over their estimated useful lives, commencing in the month after acquisition, as follows:

Scientific equipment	5 years
Office equipment and furniture	5 years
Operational equipment	5-10 years
Computer equipment and software	3 years
Leasehold improvements	5 years

Vacation pay

Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment and are recorded in the accounts at year end based on employee records.

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

Employee severance benefits

Severance benefits accrue to employees over their years of service with the Government of Canada as stipulated in their collective agreements. The CGC provides for the severance entitlements earned by employees subsequent to March 31, 1995. No accrual has been made in these financial statements for severance entitlements earned by employees up to March 31, 1995. They represent an obligation of the CGC that will be funded by the Treasury Board until March 31, 2010 after which the CGC will be responsible for the entire amount of employee severance benefits.

Pension plan

Employees of the CGC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Revolving Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts. Current legislation does not require the CGC to make contributions for any actuarial deficiencies of the Public Service Superannuation account.

Interest on drawdown

Interest is charged to the Revolving Fund at a rate set by the Treasury Board. Interest charges are calculated monthly on the balance of the accumulated net charge against the Fund's authority. The Treasury Board does not pay interest when a surplus arises that result in no drawdown against the authority.

Measurement uncertainty

The preparation of these financial statements in accordance with Canadian generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the periods covered by the financial statements. The principle financial statement components subject to measurement uncertainty include salaries payable related to unsettled labour contracts, the useful life of tangible capital assets and the liability for employee severance benefits. Actual results could differ from those estimated. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the year they become known.

3. Accounts receivable

	2008	2007
Receivables from related parties	73	715
Outside parties	4,891	4,197
	4,964	4,912
Less: Allowance for doubtful accounts	(15)	(15)
	4,949	4,897

4. Tangible capital assets

	Cost			Accumulated amortization				Net book value	
	Opening balance	Acquisitions	Disposals	Closing balance	Opening balance	Amortization	Decrease	Closing balance	2008 2007

	23,372	3,477	1,652	25,197	18,424	1,905	1,652	18,677	6,520 4,948

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

5. Deferred revenue

	2008	2007
Deferred license revenue	178	130
Other deferred revenue		2
	<u>178</u>	<u>132</u>

6. Employee severance benefits

The CGC provides severance benefits to its employees based on eligibility, years of service and final salary. The CGC uses an estimated rate of 2.75 percent to calculate the liability for employee severance benefits. The severance benefits earned by employees prior to April 1, 1995 are funded by the Treasury Board Secretariat.

During the year, the CGC revised its assumptions with respect to expected employee service life and Revolving Fund status resulting in an adjustment to increase the employee severance liability by \$2,049,000. This amount was recorded as an expense in the current year.

	2008	2007
Employee severance benefits—		
Beginning of year	6,257	5,610
Expense for the year	3,229	1,086
Benefits paid during the year	(337)	(439)
Employee severance benefits—		
End of year	<u>9,149</u>	<u>6,257</u>

7. Parliamentary appropriations

The CGC is funded by a combination of an ongoing appropriation, special appropriation, authority to re-spend fees collected and a revolving line of credit of \$2,000,000. The Revolving Fund line of credit has been frozen since fiscal year 2003-2004. The CGC has developed and is pursuing sustainable long-term options to address the evolving needs of the grain industry in a financially stable manner.

The government approved appropriation funding for fiscal 2008/09 year in the amount of \$40,700,000 which is made up of \$14,200,000 of the CGC surplus and \$26,500,000 of special appropriation.

Items recognized in the statement of operations and the statement of financial position in one year may be funded through parliamentary appropriations in prior, current or future years. Accordingly the CGC has different net results of operations for the year on a government funding basis than on an accrual accounting basis. The differences are reconciled in the following tables.

Net cost of operations equals the total revenue less special and parliamentary appropriation revenue less total expenses plus net gain. There are no reconciling items between net cost of operations and appropriation funds provided and used.

	2008	2007
Total appropriation funds available for use	42,971	36,443
Unused appropriation - internal audit (lapsed) ..	(154)	
Severance benefit reimbursement	(485)	(733)
Current year appropriation funds provided and used	<u>42,332</u>	<u>35,710</u>

Total current year appropriation provided and used consists of:

	2008	2007
Special appropriation	37,325	30,508
Parliamentary appropriation	5,007	5,202
Current year appropriation funds provided and used	<u>42,332</u>	<u>35,710</u>

Appointments

The costs associated with the appointments by the Governor in Council of the Assistant Commissioners are covered by Parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

	2008	2007
Salaries and employee benefits	470	642
Travel and relocation	36	55
Rent	16	37
Repairs, supplies and miscellaneous	4	6
Professional and special services	19	3
Communications	10	16
Employee severance benefits	33	13
Postage and freight	2	1
Appointments parliamentary appropriation revenue	<u>590</u>	<u>773</u>

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

Grain research laboratory

A portion of the costs incurred by the Revolving Fund for the Grain Research Laboratory were covered by Parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

	2008	2007
Salaries and employee benefits	2,833	2,932
Travel and relocation	105	113
Rent	729	781
Repairs, supplies and miscellaneous	455	457
Professional and special services	76	32
Communications	2	4
Employee severance benefits	191	73
Postage and freight	26	37
Grain Research Laboratory Parliamentary appropriation revenue	4,417	4,429
Appointments Parliamentary appropriation revenue	590	773
Total Parliamentary appropriation revenue	5,007	5,202

8. Accumulated net charge against the Revolving Fund's authority

Accumulated net charge against the Revolving Fund's authority is comprised of the following amounts:

	2008	2007
Allowance for employee severance benefits	9,149	6,257
Change in working capital	2,696	(794)
Resources available for operational purposes	22,190	14,242
Total accumulated net charge against the Fund's authority	34,035	19,705

9. Lease commitments

Operating leases for office accommodation have been primarily entered into with Public Works and Government Services Canada. Future minimum lease payments over the next five years are as follows:

2009	3,649
2010	3,196
2011	3,041
2012	3,016
2013 and thereafter	220
	<u>13,122</u>

10. Contingent liabilities

Claims have been made against the CGC in the normal course of operations. Management believes that these claims are without merit. The outcome of these actions is not presently determinable and, accordingly, no provision for these claims has been made in these financial statements.

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and may only be used in the event of illness. The amount of accumulated sick leave entitlements that will become payable in future years cannot reasonably be determined. Accordingly, no amount has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

11. Related party transactions

The CGC is related in terms of common ownership to all Government of Canada departments, agencies and Crown corporations. The CGC enters into transactions with these entities at arms length in the normal course of business and on normal trade terms. In addition, the CGC received services from other government departments.

Services provided by other government departments

During the year, the CGC paid rent and certain professional services to other government departments or agencies. Employer's health insurance plan contributions and employee benefit plans were also provided by and paid to other government departments. Significant services have been recognized in the CGC statement of operations as follows:

	2008	2007
Employer's contribution to employee benefit plans	11,050	10,289
Rent	3,668	3,605
Professional and special services		
Audit and accounting services	275	274
Consulting services	221	106
Legal services	194	157
Translation services	155	155
Other	321	217
	<u>15,884</u>	<u>14,803</u>

Canadian Grain Commission Revolving Fund—Concluded

NOTES TO FINANCIAL STATEMENTS
(in thousands of dollars)—Concluded

Included in accounts payable and receivable at year end are the following amounts with related parties:

	2008	2007
Accounts receivable,	73	715
Accounts payable,	1,141	283

12. Financial instruments

The Revolving Fund’s financial instruments consist of accounts receivable and accounts payable and accrued liabilities. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management’s opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Financial instruments that potentially subject the CGC to concentrations of credit risk consist primarily of trade accounts receivable. The CGC performs services to various organizations. For the year ended March 31, 2008, five large integrated organizations accounted for 75 percent of the CGC’s receivable balances.

13. Insurance

In accordance with the Government’s policy of self-insurance, the CGC does not carry its own insurance.

14. Income taxes

The CGC is not subject to income taxes.

15. Comparative figures

Certain figures from the prior year have been reclassified to conform with the current year’s presentation.

Canadian Intellectual Property Office Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Intellectual Property Office Revolving Fund (the "Fund") as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are

properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

At the request of the Fund, these financial statements have been examined by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position as at March 31, 2008 and the results of operations and cash flow for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

AUDITORS' REPORT

TO THE DEPUTY MINISTER, INDUSTRY CANADA

We have audited the statement of financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2008 and the statements of operations and net assets (liabilities) and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the *Revolving Funds Act*. These financial statements are the responsibility of the management of the Canadian Intellectual Property Office Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS

1. Purpose and authority

The Canadian Intellectual Property Office Revolving Fund (the "Fund") grants or registers exclusive ownership of intellectual property in Canada. In exchange, the Fund acquires intellectual property information and state-of-the-art technology which it disseminates to Canadian firms, industries and individuals to improve economic performance, competitiveness and to stimulate further invention and innovation.

The Fund was established on April 1, 1994. The authority to make expenditures out of the Consolidated Revenue Fund, was granted on February 22, 1994 and has an authorized limit of \$15 million. During the fiscal year ended March 31, 2002, the Fund's authorized limit was reduced from \$15 million to \$5 million. The Fund has continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits. The Fund may retain surpluses to continue to automate operations.

Pursuant to Treasury Board decision #833200 (Budget 2006 Spending Restraint), dated November 30, 2006 and effective in 2006-2007, the Fund transferred \$50 million of its accumulated surplus to the accumulated net charge against the Fund's authority ("ANCAFA").

2. Significant accounting policies

Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the Fund; and contingent liabilities are disclosed rather than recorded.

The significant accounting policies are as follows:

Revenue recognition

Revenue derived from processing patent, trade-mark and industrial design applications is recognized using the percentage of completion method as work progresses. Fees received in advance of work being completed are recorded as deferred revenues. When work is completed prior to the receipt of the fee, the amount is recorded as unbilled revenue. In 2007-2008, the method by which the Fund estimates the level of effort required within each of the different phases of the process for trade-mark applications was revised, resulting in a decrease of \$1.5 million in

earned revenue being recognized in 2008 compared to the preceding method. Maintenance fees and other revenue are recognized upon receipt. Fees are prescribed by various Orders in Council.

Capital assets and amortization

Capital assets are recorded at cost. Capital assets are amortized on a straight-line basis over their estimated useful lives, beginning in the month after acquisition, as follows:

Leasehold improvements	5 years
Software	3 years
Hardware	3-5 years
Equipment	10 years
Furniture	10 years
Systems	Estimated useful life, beginning in the year of deployment

Deferred capital assistance

The Fund received \$63,848,000 from the Crown for the development of the Techsource automation project, which was implemented in 1997-1998. The deferred capital assistance was amortized on a straight-line basis over the estimated useful life of the Techsource system and was fully depreciated at the end of the current fiscal year.

Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to an employee joining the Revolving Fund are a liability of the Treasury Board and accordingly have not been recorded in the accounts. As at March 31, 2008, the Treasury Board liability for the Fund's employees is \$4.3 million (2007—\$4.8 million). The liability for benefits earned after an employee joins the Revolving Fund is recorded in the accounts as the benefits accrue to employees.

The Treasury Board will only fund this portion of the past services up to and including the fifteenth year of the revolving fund's operation. In 2009-2010, the long-term liability account for termination benefits will be adjusted accordingly with an offset against the revolving fund's accumulated surplus.

Pension plan

Employees of the Fund are covered by the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS— Continued

amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Capital assets, revenues and human resource related accrued liabilities are the most significant items for which estimates are used. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

3. Capital assets and accumulated amortization

	Cost March 31, 2007	Additions	Disposals	Cost March 31, 2008	Accumulated amortization	Net carrying value
	(in thousands of dollars)					
Leasehold improvements	22,181	40		22,221	18,601	3,620

2011	126
	<u>4,445</u>

7. Changes in working capital

Components of the changes in current assets and liabilities include:

	2008	2007
	(in thousands of dollars)	
Accounts receivable	(857)	711
Unbilled revenues (short term)	(131)	(1,188)
Prepaid expenses	63	(12)
Deposit accounts	455	(5)
Accounts payable	8,251	(651)
Deferred revenues (short term)	2,463	7,662
	<u>10,244</u>	<u>6,517</u>

8. Related party transactions

Through common ownership, the Fund is related to all Government of Canada created departments, agencies and Crown corporations. Payments for accommodation, translation, legal services, compensation and benefits services, mail services, security services and mainframe and computing services are made to related parties in the normal course of business.

9. Insurance

The Fund does not carry insurance on its property. This is in accordance with the Government of Canada policy of self-insurance.

10. Contingencies

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. The amount of accumulated sick leave entitlements which will become payable in future years cannot reasonably be determined and accordingly have not been recorded in the accompanying financial statements. Payments of sick leave benefits are included in current operations as incurred.

11. Income taxes

The Fund is not subject to income taxes.

Canadian Pari-Mutuel Agency Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Pari-Mutuel Agency Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgements with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's Corporate Services division develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal controls which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance

with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to an external auditing firm, who has audited them and has provided an independent opinion which has been appended to these financial statements.

AUDITORS' REPORT

TO THE ASSISTANT DEPUTY MINISTER, CORPORATE MANAGEMENT, AGRICULTURE AND AGRI-FOOD CANADA

We have audited the statement of financial position of the Canadian Pari-Mutuel Agency Revolving Fund (the "Agency") as at March 31, 2008 and the statements of operations and net assets and of cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the *Revolving Funds Act*. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Agency as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Agency and the Treasury Board Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

The accompanying notes are an integral part of the financial statements.

Canadian Pari-Mutuel Agency Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Canadian Pari-Mutuel Agency Revolving Fund (CPMA) was established under *Appropriation Act No. 1, 1970*, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board for the purpose of providing race track supervision in Canada. The *Appropriation Act No. 1, 1970* was repealed and replaced by section 2 of the *Revolving Funds Act* in 1985.

CPMA has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital asset acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

CPMA's mandate is to regulate and supervise pari-mutuel betting at race-tracks across Canada, thereby ensuring that pari-mutuel betting is conducted in a way that is fair to the betting public.

CPMA is not subject to income tax under the provisions of the *Income Tax Act*.

2. Significant accounting policies

The financial statements have been prepared in accordance with Treasury Board accounting policies, which are consistent with Canadian generally accepted accounting principles for the public sector, and year-end instructions issued by the office of the Receiver General.

The significant accounting policies are as follows:

(a) Revenue recognition

Revenues are generated through a levy of 0.8 percent applied to every dollar bet at Canadian racetracks. Revenues are recorded on the accrual basis of accounting.

(b) Expenses

Expenses are recorded on an accrual basis. Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment.

(c) Capital assets

Leasehold improvements are capitalized and amortized on a straight-line basis over the shorter of the related lease terms or their estimated useful life. Capital assets are recorded at cost and are amortized from the year of the acquisition on a straight-line basis over their estimated useful lives as follows:

Furniture and equipment	10 to 15 years
Electronic data processing equipment	3 years
Automotive	8 to 10 years
Buildings	20 to 25 years

(d) Pension plan

Employees of CPMA are covered by the *Public Service Pension Plan* administered by the Government of Canada. The Government's portion of the pension cost is included in the employee benefits expense. The actual payment of the pension is made from the Public Service Superannuation Plan and the Supplementary Retirement Benefits Account. CPMA is not required under the present legislation to make contributions with respect to actuarial deficiencies of the Plan.

(e) Employee termination benefits

Employees of CPMA are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee termination benefits for the Government as a whole.

(f) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. The more significant areas requiring the use of estimates relate to employee termination benefits, accrued liabilities and the estimated useful lives of capital assets. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the year in which they become known.

Accumulated net charge against the Fund's authority:

Accumulated net charge against the Fund's authority is the cash position of the Fund, held by the Government on the Fund's behalf.

Accumulated surplus:

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening net assets upon establishment of the Fund.

6. Commitments

CPMA rents office premises and other office equipment under long-term operating leases, which expire in 2013. Future minimum lease payments by year are as follows:

Consulting and Audit Canada Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Consulting and Audit Canada Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain

accountability of Government funds and safeguard the assets under the Fund's administration. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority provided and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Consulting and Audit Canada Revolving Fund—Continued

AUDITORS' REPORT

TO THE CHIEF AUDIT EXECUTIVE AND DIRECTOR
GENERAL OF EVALUATION
PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Consulting and Audit Canada Revolving Fund (the "Fund") as at March 31, 2008 and 2007 and the statements of operations and net liabilities and cash flow for the years then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2008 and 2007 and the results of its operations and its cash flow for the years then ended in accordance with the basis of accounting described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Fund and the Treasury Board to comply with Section 6.4 of the Policy on Special Revenue Spending Authorities. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

As described in Note 3, the financial statements of the Fund as at March 31, 2007 and for the year then ended have been restated. Our previous auditors' report dated June 1, 2007 on those financial statements has been withdrawn.

Consulting and Audit Canada Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Consulting and Audit Canada Revolving Fund ("the Fund") is a Special Operating Agency that provides, on an optional and fee-for-service basis, consulting and audit services to federal departments and agencies. Upon request, these services are also provided to provincial, territorial, municipal and aboriginal governments in Canada, to foreign governments and to international organizations.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$20,000,000 at any time.

The Fund receives funding by way of a separate vote, to cover the net draw down authority used in order to comply with the Policy on Special Revenue Spending Authorities. The amount received in 2007-2008 was \$6,406,228 (2006-2007: \$5,350,967).

On November 30, 2006, the Fund received authorization from the Treasury Board to contribute \$6,000,000 from its accumulated surplus for the implementation of Budget 2006 expenditure restraint measures.

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because the employee termination benefits liability is based on management's estimate of this liability rather than based on actuarial valuations.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Revenues on consulting and audit services performed by the Fund are earned primarily on a daily rate basis and are recognized as the services are provided.

For fixed price projects, revenues are recognized using the percentage of completion method based on the proportion of services provided at year end. Any losses on fixed price projects are recognized during the period they are identified.

(c) Capital assets

Capital assets are recorded at their acquisition cost and amortized on a straight-line basis over the estimated useful life of each asset as follows:

<u>Category</u>	<u>Estimated useful life</u>
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years
Leasehold improvements	Lesser of the remaining term of the occupancy instrument or useful life of the improvement

(d) Pension plan

Employees of the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefits charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

(f) Interest on draw down

Interest is charged to the Fund at a rate set by the Department of Finance and is calculated monthly on the credit balance of the accumulated net charge against the Fund's authority account.

3. Change in accounting policy

In 2007-2008, the Fund changed its accounting policy and recorded an accrual to recognize the allowance for employee termination benefits on service with the Government of Canada prior to April 1, 1992, the date the Fund was established.

Consulting and Audit Canada Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS—Continued

The Treasury Board funded these severance entitlements for a period of 15 years from the commencement date of the Fund which ended on March 31, 2007. Effective, April 1, 2007, the funding from Treasury Board ceased as this 15 year period ended. Henceforth, the Fund will record the full liability of these severance entitlements.

Accordingly, the Fund has restated its financial position as at March 31, 2007 as well as its results of operations and cash flow for the year the ended to reflect the new obligation. As a result of this change in accounting policy, the 2006-2007 operating expenses were reduced by \$259,989, the net liabilities at the beginning of the 2006-2007 fiscal year were increased by \$1,987,094 and the allowance for employee termination benefits was increased by \$1,727,105 as at March 31, 2007.

4. Other assets

	<u>1,295</u>	<u>82</u>	<u>1,377</u>
Net	<u>89</u>		<u>7</u>

6. Net liabilities

The accumulated surplus (deficit) is the accumulation of each fiscal year's surpluses and deficits since the inception of the Fund. The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

	2008	2007
	(in thousands of dollars)	
Accumulated surplus, beginning of year as originally reported	1,304	5,217
Change in accounting policy (Note 3)	(1,727)	(1,987)

Audit services	16,386	17,252
	<u>34,088</u>	<u>72,811</u>

8. Contractual obligations

The Fund leases its premises under occupancy instruments. An occupancy instrument is a formal agreement between the Fund and Public Works and Government Services Canada recording the specific details of an individual occupancy and the terms and conditions that govern the provision and occupancy of the accommodation. Expected future payments for the existing occupancy instruments are as follows:

Year ending March 31	(in thousands of dollars)
2009	2,287
2010	1,868
2011	1,747
2012	1,750

9. Changes in working capital

	2008	2007	Changes
	(in thousands of dollars)		
Current assets	5,018	10,278	5,260
Current liabilities	3,635	9,678	(6,043)
			(783)

10. Comparative figures

Certain of the prior year's figures have been reclassified in order to conform to the presentation adopted in the current year.

11. Financial instruments

The Fund's financial instruments consist of cash, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

CORCAN Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the CORCAN Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which

gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the Fund's external auditor, Ernst & Young, who audited them and has provided an independent opinion which has been appended to these financial statements.

CORCAN Revolving Fund—Continued**AUDITORS' REPORT**

TO THE COMMISSIONER, CORECTIONNAL SERVICE CANADA

We have audited the statement of financial position of CORCAN Revolving Fund as at March 31, 2008 and the statements of operations, net assets and cash flows for the year then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board of Canada's policy on special revenue spending authorities. These financial statements are the responsibility of CORCAN's Revolving Fund management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of CORCAN Revolving Fund as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

CORCAN Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS

1. Authority and purpose

CORCAN Revolving Fund is a special operating agency within Correctional Service Canada financed by way of a Revolving Fund. The CORCAN Revolving Fund (“CORCAN” or “the Fund”) was established under *Appropriation Act No. 4, 1991-92*, which authorized the operation of the Fund effective April 1, 1992 in accordance with terms and conditions prescribed by Treasury Board. CORCAN Revolving Fund’s purpose is to aid in the safe reintegration of offenders into Canadian society by providing employment and training opportunities to offenders incarcerated in federal penitentiaries and, for brief periods of time, after they are released into the community. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$5,000,000 at any time. An amount of \$15,218,000 representing net assets assumed by the Fund was charged to this authority when the Fund became operative on April 1, 1992. The Fund is a non-taxable entity.

2. Significant accounting policies

The accompanying financial statements have been prepared in accordance with Treasury Board accounting policies which are consistent with Canadian generally accepted accounting principles for the public sector. The significant accounting policies are as follows:

Basis of accounting

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the Treasury Board of Canada reporting requirements for revolving funds prescribed by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles as follows:

Employee’s vacation pay liability is based on management’s estimates of the liability. Termination benefits liability is based on valuations provided by Treasury Board to management;

Funding for capital assets received from Treasury Board at inception of the Fund is recorded as contributed capital and not as a reduction of the cost of capital assets.

Recognition of revenue and expense

Except as noted below, the Fund recognizes revenue when persuasive evidence of a final agreement exists, delivery has occurred and services have been rendered, the selling price is fixed or determinable and collectibility is reasonably assured.

Revenues are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues. Revenues that have been received but not yet earned are recorded as deferred revenues.

For construction contracts, the percentage of completion method of accounting is used. Degree of completion is determined by comparing direct costs incurred to date to the total direct costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is recognized in the period in which the determination is made and losses, if any, are recognized fully when anticipated.

Expenses are recorded in the period they are incurred. Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment.

Net cash provided by Government

CORCAN operates within the Consolidated Revenue Fund (CRF), which is administered by the Receiver General for Canada. All cash received by CORCAN is deposited to the CRF and all cash disbursements made by CORCAN are paid from the CRF. The net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions between departments of the federal government.

Accounts receivable

Accounts and loans receivables are stated at amounts expected to be ultimately realized; a provision is made for receivables where recovery is considered uncertain.

Inventories

Raw materials, finished goods and work in process inventories are valued at the lower of cost and net realizable value. The Fund makes provisions for excess and obsolete inventory on a site by site basis.

Capital assets

Capital assets with an initial cost of \$10,000 or greater are recorded at cost and are amortized on a straight line basis over their estimated useful lives commencing on the month after they are put in service, as follows:

Equipment	10 years
Office furniture and equipment	10 years
Leasehold improvement	Straight line over the life of the lease
Vehicle fleet	5 years
Computer equipment	3 years

CORCAN Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS—Continued

Employee future benefits

Pension plan

Employees of the Fund are covered by the *Public Service Retirement Pension Plan* (the plan) administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

Pension benefits

Eligible employees participate in the Public Service Pension Plan, a multiemployer administered by the Government of Canada. The department's contributions to the Plan are charged to expenses in the year incurred and represent the total departmental obligation to the Plan. Current legislation does not require the department to make contributions for any actuarial deficiencies of the Plan.

Severance benefits

Employees of CORCAN Revolving Fund are entitled to severance benefits under labour contracts or conditions of employment. These benefits are accrued as employees render the services necessary. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole.

Measurement uncertainty

The preparation of these financial statements in accordance with Treasury Board accounting policies which are consistent with Canadian generally accepted accounting principles for the public sector requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the liability for employee severance benefits and the useful life of capital assets. Actual results could significantly differ from those estimated. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the year they become known.

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current Government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no amount has been accrued in these financial statements.

Financial instruments

The fair value of the financial instruments approximates costs unless otherwise specified. The Fund's financial instruments consist of accounts receivable, accounts payable, accrued liabilities and employee termination benefits. It is management's opinion that the Fund is not exposed to significant interest, currency or credit risks arising from those instruments.

3. Restatement of prior year figures

Changes in accounting policy

In 2007-2008, the Fund changed its accounting policy for employee termination benefits. Prior to April 1, 1992, the Fund inception date, termination benefits were funded in full by Treasury Board, and continued to be for a period of 15 years. Effective April 1, 2007, employee termination benefits related to the pre April 1, 1992 period are now recorded as a liability of the Fund. In accordance with Treasury Board Guidelines for Revolving Funds section 6140, Termination Benefits, all changes are applied retrospectively as a change in accounting policy.

Accordingly, the Fund has retrospectively restated its financial position as at March 31, 2007 as well as its results of operations and cash flow for the year then ended. As a result of this change, the 2006-2007 opening net asset balance decreased by \$1,335,000, operating expenses decreased by \$80,000, and the employee termination benefits increased by \$1,255,000 as of March 31, 2007.

Recovery of severance benefits

In 2007-2008, the Fund received \$926,000 from Treasury Board relating to severance benefits earned by employees for services rendered prior to 1992 and paid by the Fund. At the time of payment the Fund was not legally responsible for these termination benefits, and therefore recognized a higher expense than it was obligated. Accordingly, the Fund has restated its financial position as at March 31, 2007 as well as its results of operation and cash flow for the year then ended. As a result of this correction of an error, the 2006-2007 opening net assets increased by \$714,000, operating expenses were reduced by \$212,000, and accounts receivable (Government of Canada) was increased by \$926,000 as at March 31, 2007. The \$926,000 balance was collected in full in fiscal 2008-2009.

4. Related party transactions

During the year, Correctional Service Canada, the parent organization of CORCAN, has provided and is to continue to provide CORCAN Revolving Fund with the use of existing infrastructure including buildings, shops and farms as well as maintenance of said facilities and human resource services. The cost of these services is not included as an expense in the CORCAN's Statement of Operations and Net Assets.

The Government has structured some of its administrative activities for efficiency and cost-effectiveness purposes so that one department performs these on behalf of all without charge. The costs of these services, which include payroll, cheque issuance services and legal services provided by Public Works and Government Services Canada and Justice Canada, are not included as an expense in the CORCAN's Statement of Operations and Net Assets.

CORCAN Revolving Fund entered into the following transactions with the Correctional Service Canada ("CSC") and all other government departments:

	2008	2007
	(in thousands of dollars)	
Correctional Service Canada		
Trade revenues	26,523	14,524
Training, correctional and other fees	23,308	22,262
Other government departments		
Trade revenues	34,134	34,964
	<u>83,965</u>	<u>71,750</u>

	Opening balance	Amortization	Disposals and write-offs	Closing balance
	(in thousands of dollars)			
Equipment	18,936	1,303	1,632	18,607
Leasehold improvement ..	77	123		200
Vehicle fleet.....	883	230	165	948
Other	166	13	155	24
	20,062	1,669	1,952	19,779

	2008 Net book value	2007 Net book value
	(in thousands of dollars)	
Equipment	9,626	8,575
Leasehold improvement	1,212	1,223
Vehicle fleet	1,125	512
Other	15	157
	11,978	10,467

The amortization expense for the year was \$1,669,000 (2007—\$1,516,000).

CORCAN Revolving Fund—Continued**NOTES TO FINANCIAL STATEMENTS—Continued****8. Accounts payable**

	2008	2007
	(in thousands of dollars)	
Government of Canada	902	1,628
Outside parties	9,876	6,848
	<u>10,778</u>	<u>8,476</u>

9. Employee future benefits**Pension benefits**

CORCAN's employees participate in the Public Service Pension Plan, which is sponsored and administered by the Government of Canada. Pension benefits accrue up to a maximum period of 35 years at a rate of 2 percent per year of pensionable service, times the average of the best five consecutive years of earnings. The benefits are integrated with Canada/Quebec Pension Plans benefits and they are indexed to inflation.

Both the employees and CORCAN contribute to the cost of the Plan. The 2007-2008 expense amounts to \$3,619,000 (\$3,364,000 in 2006-2007), which represents approximately 2.6 times the contributions by employees.

CORCAN's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Information about the severance benefits, measured as at March 31, is as follows:

	2008	2007
	(in thousands of dollars)	
	(Restated Note 3)	
Accrued benefit obligation, beginning of year	5,145	4,937
Expense for the year	681	409
Benefits paid during the year	<u>(580)</u>	<u>(201)</u>
	<u>5,246</u>	<u>5,145</u>

10. Commitments

The nature of CORCAN's activities can result in some multi-year contracts and obligations whereby CORCAN will be obligated to make future payments when the services/goods are received. CORCAN Revolving Fund is committed under the terms of various lease agreements including an amount of \$8,796,000 relating to the Kingston warehouse. The lease was entered into on September 2006 and expires in August, 2016.

Significant contractual obligations that can be reasonably estimated are summarized as follows:

	(in thousands of dollars)
2009	1,137
2010	1,245
2011	1,235
2012	1,224
2013 and thereafter	<u>4,877</u>
	<u>9,718</u>

11. Net assets

	2008	2007
	(in thousands of dollars)	
	(Restated Note 3)	
Contributed capital	30,542	30,542
Accumulated net charge against the Fund's authority	(18,925)	(14,380)
Accumulated deficit	<u>(4,573)</u>	<u>(7,869)</u>
Net assets, end of year	<u>7,044</u>	<u>8,293</u>

Contributed capital represents the value of capital assets financed from contributed capital at the inception of the Fund.

Accumulated net charge against the Fund's authority represents the amount of the fund's non-lapsing authority that has been used (provided) since inception of the Fund.

The accumulated deficit is an accumulation of each year's surpluses (losses).

Unused authority carried forward		

⁽¹⁾ Joint continuing authority limit for the Fund and Defence Production Loan Account is \$100,000,000, as explained in Note 1.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Defence Production Revolving Fund ("the Fund") was established by Section 15 of the *Defence Production Act*. It was established in 1951 for the purpose of:

- (a) financing the stockpiling of defence supplies or strategic materials;
- (b) making loans or advances to aid in defence procurement, such as working capital loans for advance payments on contracts, but not including loans or advance payments for capital purposes; and
- (c) permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated government in advance of delivery of goods.

The *Adjustment of Accounts Act* (S.C. 1980, c.17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the *Defence Production Act*, item (b) above.

The Fund and the Defence Production Loan Account have a continuing non-lapsing authority from the Parliament to make payments out of the Consolidated Revenue Fund, the total of which is not to exceed \$100 million at any time.

Geomatics Canada Revolving Fund

MANAGEMENT REPORT

The accompanying financial statements of the Geomatics Canada Revolving Fund have been prepared as required by and in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted principles for the public sector. They were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions and benefits from the advice of accounting personnel of Corporate Management and Services Sector (CMSS). Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

CMSS develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and

safeguard the Fund's assets. Financial management and internal control systems are maintained at appropriate costs and are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements. This is accomplished by a careful selection, training and development of qualified staff, organizational arrangements that provide appropriate divisions of responsibility and communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, an external auditor has examined the financial data contained in these financial statements. Its role is to express an informed judgement as to whether the Fund's financial statements, considered in their entirety, present fairly, in conformity with stated accounting policies, the Fund's financial condition and transactions. This judgement is based on procedures described in the opinion appended to these financial statements.

Unused authority carried forward ⁽¹⁾	8,644	11,607

⁽¹⁾ In addition to the drawdown authority of \$5,000, the Fund has recorded a cash surplus of \$3,644. As such the amount available for use in subsequent years is \$8,644.

The accompanying notes are an integral part of the financial statements.

Geomatics Canada Revolving Fund— Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND REVIEW
BRANCH, NATURAL RESOURCES CANADA

We have audited the statement of financial position of the Geomatics Canada Revolving Fund as at March 31, 2008 and the statements of operations and net liabilities, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the *Revolving Funds Act*. These financial statements are the responsibility of the management of the Geomatics Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Geomatics Canada Revolving Fund as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Geomatics Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS (in thousands of dollars)

1. Authority and purpose

The Geomatics Canada Revolving Fund (the Fund) was originally established under *Appropriation Act No. 3, 1993-1994*. It was called "Surveys, Mapping and Remote Sensing Sector Revolving Fund" and approval was conditional on specified conditions. The purpose of the Fund was to shift the costs of offering goods and services from taxpayers to those specific users who directly benefit from them. Subsequently, on December 8, 1994, the "Surveys, Mapping and Remote Sensing Sector Revolving Fund" was renamed the "Geomatics Canada Revolving Fund". Having met its specified conditions, permanent continuing authority for the Fund was obtained from and registered with Treasury Board on February 9, 1995.

The Fund has received a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which at any time is not to exceed \$5,000.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the Fund; and contingent liabilities are disclosed rather than recorded.

(b) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(c) Revenue recognition

Revenues are recognized when products are sold or services rendered. For multi-year consulting or service contracts, revenues are recognized on a straight-line basis over the term of the contract.

(d) Inventory

The inventory of maps is valued at the lower of cost or net realizable value, with cost being determined using the weighted average cost of each title.

The inventory of maps on hand includes only those printed but not sold, since Fund startup. The Fund also holds on consignment maps that were printed prior to its creation. These are not accounted for in the inventory but as sales occur, are included in the cost of sales.

(e) Capital assets

Capital assets purchased by the Fund since April 1, 1994 are recorded at cost. These assets are amortized on a straight-line basis over their estimated useful lives, commencing with the month subsequent to acquisition. The estimated useful lives of these assets are as follows:

Computer equipment	2 to 5 years
Furniture	10 years
Mechanical equipment	10 years
Office equipment	5 years
Printing equipment	8 years
Scientific equipment	10 years

(f) Pension plan

The *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act* cover employees of Natural Resources Canada whose salaries and other benefits are paid by the Fund. The Government's portion of the pension cost is included in the employee benefits expenses assessed against the Fund. Actual pension payments are made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(g) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to the establishment of the Fund (April 1, 1994) are a liability of the Treasury Board and accordingly have not been

Geomatics Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS (in thousands of dollars)—Continued

recorded in these accounts. The costs for benefits earned after April 1, 1994, as these accrue to employees, are recorded in the accounts.

(h) Sector and corporate overheads

Sector and Corporate overheads include administrative, management and various other costs incurred in the direct provision of services to the Fund. The allocation is based on predetermined overhead rates, which vary with the number of employees (salary), or the number of business units (Sector or Corporate components).

3. Information included in the Statement of Cash Flow

	2008	2007
Accounts receivable		
Government of Canada	(127)	709

Printing equipment	988			988
Scientific equipment	281			281
Total	3,333	56	(146)	3,243

Accumulated amortization	Balance at beginning of year	Amortization ⁽¹⁾	Disposals	Balance at end of year
Computer equipment	1,610	51	(145)	1,516
Furniture	32	1	(1)	32
Mechanical equipment	209	42		251
Office equipment	8			8
Printing equipment	989			989
Scientific equipment	253	27		280
Total	3,101	121	(146)	3,076

⁽¹⁾ Included in amortization of \$121 is \$68 in amortization relating to assets of the discontinued operations of the Aeronautical and Publishing divisions.

7. Discontinued operations

During the year, the Fund adopted a plan to close the business operations of its Aeronautical and Publishing divisions. Accordingly, the operating results of the divisions have been classified as a discontinued operation and comparative figures have been restated. The capital assets related to this division are fully amortized.

Amortization of capital assets	20	38	1	59

9. Net liabilities

	2008	2007
Contributed capital	1,438	1,438
Accumulated net charge against the Fund's authority	(4,294)	(7,577)
Reserve for the replacement of printing presses*		1,600
Accumulated surplus	2,638	3,981
Net liabilities	(218)	(558)

* The Reserve for replacement of the printing press has been transferred back to the accumulated surplus since it will no longer be necessary due to the discontinued operations of the Aeronautical and Publishing divisions.

10. Related party transactions

Through common ownership, the Geomatics Canada Revolving Fund is related to all Government of Canada Departments, Agencies and Crown Corporations. The Fund enters into transactions with such entities in the normal course of business which have been recorded at the exchange amount.

11. Contingencies

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. The amount of accumulated sick leave entitlements, which will become payable in future years can not be reasonably determined and accordingly have not been recorded in the financial statements. Payments of sick leave benefits are included in current operations as incurred.

12. Comparative figures

Certain figures have been reclassified to conform to current year presentation.

National Film Board Revolving Fund

MANAGEMENT RESPONSIBILITY

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2008 and all information contained in these statements rests with National Film Board's management. These financial statements have been prepared by management in accordance with Treasury Board accounting policies which are consistent with Canadian generally accepted accounting principles for the public sector, and year-end instructions issued by the Office of the Comptroller General.

Management is responsible for the integrity and objectivity of the information in these financial statements. Some of the information in the financial statements is based on management's best estimates and judgment and gives due consideration to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts that provides a centralized record of the department's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the National Film Board's Departmental Performance Report is consistent with these financial statements.

Management maintains a system of financial management and internal control designed to provide reasonable assurance that financial information is reliable, that assets are safeguarded and that transactions are executed in accordance with prescribed regulations, within Parliamentary authorities, and are properly recorded to maintain accountability of Government funds. Management also seeks to ensure the objectivity and integrity of data in its financial statements by careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that regulations, policies, standards and managerial authorities are understood throughout the Board.

The financial statements of the Board have been audited by the Auditor General of Canada.

AUDITOR'S REPORT

TO THE MINISTER OF CANADIAN HERITAGE, STATUS OF WOMEN, OFFICIAL LANGUAGES AND MINISTER FOR LA FRANCOPHONIE

I have audited the statement of financial position of the National Film Board as at March 31, 2008 and the statements of operations, equity of Canada and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Further, in my opinion, the transactions of the Board that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the *National Film Act* and the by-laws of the Board.

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS

1. Authority and purposes

The National Film Board was established in 1939 under the *National Film Act*, and is the agency responsible for administering the Act.

The National Film Board (Board) is a cultural agency named in Schedule 1.1 of the *Financial Administration Act* reporting to the Minister of Canadian Heritage, Status of Women, Official languages and Minister for La Francophonie. It is administered by a Board of Trustees appointed by the Governor in Council and chaired by the Government Film Commissioner.

The Board's legislative mandate is to initiate and promote the production and distribution of films in the national interest and, in particular:

- to produce and distribute and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;
- to represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;
- to engage in research in film activity and to make available the results thereof to persons engaged in the production of films;
- to advise the Governor in Council in connection with film activities;
- to discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

The Board is not subject to income taxes.

2. Significant accounting policies

These financial statements have been prepared in accordance with Treasury Board accounting policies, which are consistent with Canadian generally accepted accounting principles for the public sector, and year-end instructions issued by the Office of the Comptroller General.

The most significant policies are as follows:

Parliamentary appropriations

Operations are funded through a permanent authority from Parliament (Revolving Fund) and Parliamentary appropriations voted annually.

The Revolving Fund allows the Board to make payments out of the Consolidated Revenue Fund for working capital, interim financing of operating costs and capital assets acquisitions. This authority requires that the aggregate of

admissible working capital and net book value of capital assets does not exceed \$15 million.

The Board is also financed in part by the Government of Canada through Parliamentary appropriations. The appropriations are voted annually to replenish the Revolving Fund for net acquisitions of capital assets and the admissible cost of operations. The basis of the appropriations provided to the Board does not parallel the accounting principles applied in preparing the financial statements since appropriations are primarily based on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Note 3 provides a reconciliation between the two bases of reporting.

Net cash provided by Government

The Board operates within the Consolidated Revenue Fund (CRF), which is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements are paid from the CRF. The net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions with other Federal departments and agencies.

Due to (from) the Consolidated Revenue Fund

Due from the Consolidated Revenue Fund balance represents the amount of cash that the Board is entitled to draw from the CRF without further appropriations, in order to discharge its liabilities and the due to the Consolidated Revenue Fund balance represents the amount of cash that the Board has to pay to the CRF for the money received.

Expense recognition

All expenses are recorded on the accrual basis.

Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment.

Production of films and other forms of visual presentations

All production costs are charged to operations in the year in which they are incurred and shown in the Statement of Operations as follows:

Board's program

All costs incurred for unsponsored productions, the Board's share in co-productions and the excess of costs over the sponsor's contribution for partially sponsored productions.

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS—Continued

Sponsored production and pre-sale

All costs incurred for fully sponsored productions and the sponsored costs of partially sponsored productions.

Revenues

Revenues from production of films and other forms of visual presentations are accounted for at an amount equal to the sponsored production and pre-sale costs during the year in which these costs are incurred. Any profit is recognized in the year the production is completed.

Royalty revenues are recognized once all of the Board's obligations have been fulfilled and its expenses have been accounted for, regardless of when the acquirer actually uses the work.

Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. A provision is made for external accounts receivable where recovery is considered uncertain.

Inventories

Materials and supplies are carried at cost.

Film prints and other forms of visual presentations held for sale are carried at the lower of cost and net realizable value. The cost of other prints is expensed on a current basis.

Capital assets

Capital assets are amortized on the straight line method over the estimated useful life of the assets, as follows:

Technical equipment	from 4 to 10 years
Software and data	
processing equipment	from 5 to 10 years
Office furniture, equipment	
and other	from 5 to 10 years
Leasehold improvements	terms of the leases

The Board has a collection of nearly 20,000 audiovisual works produced between 1895 and the present. This inestimable collection is not intended for sale and does not have a measurable value. It has, however, been assigned a nominal value of \$1 in the financial statements, appearing on the statement of financial position as capital assets to ensure that the reader is aware of its existence.

The Board enters into operating lease agreements to acquire the exclusive use of certain capital assets over the term of the lease. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which substantially all the benefits and risks inherent to ownership of the assets are transferred to the Board. The Board then records an

asset and an obligation corresponding to the present value of the minimum lease payments, excluding the portion thereof relating to executory costs. The assets recorded from a capital lease agreement are amortized on the same basis as other assets owned by the Board and the obligations are amortized over the lease term.

Employee future benefits

Pension benefits

All eligible employees participate in the Public Service Pension Plan administered by the Government of Canada. The Board's contributions reflect the full cost as employer. This amount is currently based on a multiple of an employee's required contributions and may change over time depending on the experience of the Plan. The Board's contributions are expensed during the year in which the services are rendered and represent the total pension obligation of the Board. The Board is not currently required to make contributions with respect to any actuarial deficiencies of the Public Service Pension Plan.

Severance benefits

Employees are entitled to severance benefits as provided for under labour contracts and conditions of employment. The cost of these benefits is accrued as employees render the services necessary to earn them. Management determined the accrued benefit obligation using a method based upon assumptions and its best estimates; such as, years of service, employees' status and departure statistics. These benefits represent the only obligation of the Board that entails settlement by future payment.

Measurement uncertainty

The preparation of these financial statements in accordance with Treasury Board accounting policies, which are consistent with Canadian generally accepted accounting principles for the public sector and year-end instructions issued by the Office of the Comptroller General, requires management to make estimates and assumptions that could affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the useful life of capital assets, allowances for doubtful accounts and the liability related to employee severance benefits. Actual results could significantly differ from those estimated. The estimates are reviewed periodically and as adjustments become necessary, they are reported in net cost of operations in the period in which they become known.

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS—Continued

3. Parliamentary appropriations

The Board receives most of its funding through annual Parliamentary appropriations. Items recognized in the statement of operations and the statement of financial position in one year may be funded through Parliamentary appropriations in prior, current or future years. Accordingly, the Board has different net results of operations for the year on a government funding basis than on accrual accounting basis. The differences are reconciled in the following tables:

(a) Reconciliation of Net cost of operations to current year appropriations used:

	2008	2007
	\$	\$
Net cost of operations	70,122,482	67,772,722
Adjustments for items affecting net cost of operations but not affecting appropriations:		
Add (Less)		
Loss on disposal of capital assets	(1,266)	(2,244)
Change in liability for vacation pay and compensatory leave	(72,466)	65,894
Net change in employee future benefits ..	(69,431)	183,385
Amortization of capital assets	(2,615,881)	(2,729,031)
	(2,759,044)	(2,481,996)
Adjustments for items not affecting net cost of operations but affecting appropriations:		
Add (Less)		
Acquisition of capital assets	3,189,049	2,022,023
Payments on obligation under capital leases	654,844	1,141,881
Proceeds from disposal of capital assets ..	(40,000)	(18,797)
	3,803,893	3,145,107
Current year appropriations used	71,167,331	68,435,833

(b) Appropriations provided and used:

	2008	2007
	\$	\$
As per Main Estimates—Vote 60	64,988,000	64,839,000
Supplementary Estimates appropriation	6,976,910	6,382,292
Authority to carry forward	(797,579)	(2,785,459)
Current year appropriations used	71,167,331	68,435,833

(c) Reconciliation of net cash provided by Government of Canada to current year appropriations used:

	2008	2007
	\$	\$
Net cash provided by Government of Canada	70,614,947	67,282,364
Changes in net position in the Consolidated Revenue Fund		
Variation in accounts receivable	(303,232)	847,297
Variation in accounts payable	(267,149)	605,447
Variation in deferred revenue	25,617	(133,978)
Other adjustments	1,097,148	(165,297)
Current year appropriations used	71,167,331	68,435,833

4. Capital assets

	Cost				Accumulated amortization				2008	2007
	Opening balance	Acquisitions	Disposals and write-offs	Closing balance	Opening balance	Amortization	Disposals and write-offs	Closing balance	Net book value	Net book value
	\$	\$	\$	\$	\$	\$	\$	\$	\$	\$
Technical equipment	23,138,754	2,929,297	717,436	25,350,615	19,282,125	1,581,025	676,170	20,186,980	5,163,635	3,856,629
Software and data processing equipment	13,024,299	781,524	45,239	13,760,584	10,908,354	917,902	45,239	11,781,017	1,979,567	2,115,945
Office furniture, equipment and other	883,795	13,400		897,195	748,796	30,586		779,382	117,813	134,999
Collection	1			1					1	1
Leasehold improvements	4,132,876	74,163		4,207,039	3,640,124	86,368		3,726,492	480,547	492,752
Total	41,179,725	3,798,384	762,675	44,215,434	34,579,399	2,615,881	721,409	36,473,871	7,741,563	6,600,326

The above assets include equipment under capital leases for a total cost of \$2,084,010 (2007—\$2,326,286) less accumulated amortization of \$861,196 (2007—\$1,273,857). Current year amortization expenses relating to property under capital lease amount to \$413,585 (2007—\$368,039). Acquisitions under capital leases amounted to \$609,335 (2007—\$507,281).

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS—Continued

5. Employee future benefits

Pension benefits

The Board and all eligible employees participate in the Public Service Pension Plan, which is sponsored and administered by the Government of Canada. Pension benefits accrue up to a maximum period of 35 years at a rate of 2 percent per year of pensionable service, times the average of the best five consecutive years of earnings. The benefits are integrated with Canada/Québec Pension Plans benefits and they are indexed to inflation.

Both the employees and the Board contribute to the cost of the Plan. The 2008 expense amounts to \$3,665,691 (2007—\$3,684,589), which represents approximately 2.4 time (2007—2.6 time) the contributions by employees.

The Board's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

The Board provides severance benefits to its employees based on years of service and final salary. This benefit plan is not pre-funded and thus has no assets, resulting in a plan deficit equal to the accrued benefit obligation. Benefits will be paid from future appropriations or other sources of revenue. Information about the plan, measured as at March 31, 2008, is as follows:

	2008	2007
	\$	\$
Accrued benefit obligation, beginning of year . . .	6,474,553	6,657,938
Expense for the year	608,231	585,097
Benefits paid during the year	(538,800)	(768,482)
Accrued benefit obligation, end of year	6,543,984	6,474,553

6. (a) Expenses

	2008	2007
	\$	\$
Salaries and benefits	40,578,519	38,434,247
Rentals	8,953,870	8,694,062

Miscellaneous	488,597	876,882
	<u>76,986,424</u>	<u>74,384,254</u>

(b) Revenues

	2008	2007
	\$	\$
Film prints	2,807,879	3,131,322
Royalties	2,015,051	1,691,415
Sponsored production and pre-sale	1,147,109	821,836
Stockshots	490,808	515,605
Miscellaneous	403,095	451,354
	<u>6,863,942</u>	<u>6,611,532</u>

7. Obligation under capital leases

The Board has entered into agreements to rent technical, data processing and office equipment under capital leases. The assets have been capitalized using implicit interest rates varying from 7 percent to 22 percent. The related obligations are paid over a 2-3 year lease term. Minimum lease payments totalled \$654,844 for the year ended March 31, 2008 (2007—payments of \$1,141,881). Interest of \$104,997 (2007—\$88,326) was charged to operations.

The obligation under capital leases includes the following:

	\$
Future minimum lease payments:	
2009	583,796
2010	234,429
	<u>818,225</u>
Less: imputed interest	65,670
	<u>752,555</u>

National Film Board Revolving Fund— Concluded

NOTES TO FINANCIAL STATEMENTS—Concluded

8. Related party transactions

The Board is related in terms of common ownership to all departments, agencies and Crown corporations created by the Government of Canada. The Board enters into transactions with these entities in the normal course of business. During the year ending March 31, 2008, the Board leased accommodations from the Department of Public Works and Government Services Canada (PWGSC) for the amount of \$7,158,598 (2007—\$7,002,116).

9. Contractual obligations

The Board has long-term lease agreements for premises and equipment. The most significant of these agreements has been concluded with PWGSC for premises until 2017. Future minimum rental payments for the next five years and thereafter are as follows:

	Premises	Equipment	Total
	\$	\$	\$
2009	7,068,000	1,051,000	8,119,000
2010	6,237,000	460,000	6,697,000
2011	6,123,000	169,000	6,292,000
2012	5,891,000	31,000	5,922,000
2013	4,959,000	7,000	4,966,000
2014-2017	14,502,000		14,502,000
	<u>44,780,000</u>	<u>1,718,000</u>	<u>46,498,000</u>

From the amount of \$44,780,000 for the lease for premises, agreements have been signed for \$182,000 with outside parties and \$44,598,000 with PWGSC.

10. Contingencies

The Board is subject to various legal claims arising in the normal course of its operations. In management's view, the ultimate disposition of these claims is not expected to have a material impact on the financial statements.

11. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation adopted in 2008.

Optional Services Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Optional Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement and with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain

accountability of government funds and safeguard the assets under the Fund's administration. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority provided and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Optional Services Revolving Fund— Continued

AUDITORS' REPORT

TO THE CHIEF AUDIT EXECUTIVE AND DIRECTOR
GENERAL OF EVALUATION PUBLIC WORKS AND
GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Optional Services Revolving Fund (the "Fund") as at March 31, 2008 and the statements of operations and net liabilities and cash flow for the year then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2008 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Fund and the Treasury Board to comply with Section 6.4 of the Policy on Special Revenue Spending Authorities. The financial statements are not intended to be and should not be used by anyone other than specified users or for any other purpose.

Optional Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Optional Services Revolving Fund ("the Fund") provides specialized services to client departments, such as communication procurement services, taxi management system, travel management services, central removal services and central freight services. The Fund also procures vaccines and drugs on behalf of provinces and territories.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$35,000,000 at any time.

On November 30, 2006, the Fund received authorization from the Treasury Board to contribute \$4,000,000 from its accumulated surplus for the implementation of Budget 2006 expenditure restraint measures.

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board. The basis of accounting used in these financial statements differs from Canadian generally accounting principles for the public sector because the employee termination benefits liability is based on management's estimate of this liability rather than based on actuarial valuations.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Recoveries from the vaccine program are recognized using a blended rate established by fixed price contracts and based on the proportion of total goods delivered at year end. Any losses on the fixed price contracts are recognized during the period in which they are identified.

Locally shared support services revenues are recognized as service provider costs are provided to the Fund.

Revenues earned on communication, printing and audio-visual services are recognized using the completed contract method.

Traffic management recoveries consist of travel commissions, central freight and central removal services. Travel commissions and central removal services recoveries are recognized based on service utilization whereas central freight recoveries are recognized as service provider costs are provided to the Fund.

(c) Capital assets

Capital assets are recorded at their acquisition cost and amortized on a straight-line basis over the estimated useful life of each asset. All capital assets were fully amortized as at March 31, 2007.

(d) Pension plan

Employees of the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefits charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

3. Other assets

	2008	2007
(in thousands of dollars)		
Goods and Services Tax refundable advances	40	455
Other advances	1	4
	<u>41</u>	<u>459</u>

Optional Services Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

4. Net liabilities

The accumulated surplus is the accumulation of each fiscal year's surpluses, net of deficits, since the inception of the Fund. The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

	2008	2007
	(in thousands of dollars)	
Accumulated surplus, beginning of year	6,439	8,340
Net results	3,043	2,099
Expenditure restraint measure (Note 1)		(4,000)
Accumulated surplus, end of year	9,482	6,439
Accumulated net charge against the Fund's authority account, end of year	(10,257)	(7,770)
	(775)	(1,331)

5. Contractual obligation

The Fund leases its premises under an occupancy instrument. An occupancy instrument is a formal agreement between the Fund and Public Works and Government Services Canada recording the specific details of an individual occupancy and the terms and conditions that govern the provision and occupancy of the accommodation. Expected future payments for the existing occupancy instrument are as follows:

(in thousands of dollars)

Year ending March 31, 2009	75
	75

6. Revenues

	2008	2007
	(in thousands of dollars)	
Vaccine program recoveries	61,073	53,998
Traffic management recoveries	34,810	33,162

			(543)

8. Comparative figures

Certain of the prior year's figures have been reclassified in order to conform to the presentation adopted in the current year.

9. Financial instruments

The Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Passport Canada Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Passport Canada Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Department of Foreign Affairs and International Trade's Departmental Performance Report is consistent with these financial statements.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains

systems of financial management and internal control which gives due consideration to costs, benefits and risks. The systems are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribe regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the external auditor, who audited them and has provided an independent opinion which has been appended to these financial statements.

Passport Canada Revolving Fund— Continued

AUDITORS' REPORT

TO THE ASSISTANT DEPUTY MINISTER, CORPORATE SERVICES, DEPARTMENT OF FOREIGN AFFAIRS AND INTERNATIONAL TRADE

We have audited the statement of financial position of Passport Canada Revolving Fund as at March 31, 2008 and the statements of operations and change in net assets and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the reporting requirements for revolving funds prescribed by the Receiver General of Canada. These financial statements are the responsibility of Passport Canada Revolving Fund management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of Passport Canada Revolving Fund as at March 31, 2008 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as described in note 2 to the financial statements.

The comparative figures as at March 31, 2007 are based upon financial statements which were reported on by other auditor.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Passport Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Passport Canada Revolving Fund (the "Fund") was established in 1969 to provide for the issue of appropriate travel documents to Canadian citizens and to certain permanent residents of Canada who are unable to obtain valid passports from their country of origin. The *Revolving Funds Act* authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,000,000 at any time. An amount of \$746,000 representing net assets assumed by the Fund and assets contributed to the Fund was charged to this authority when the Fund became budgetary in 1981.

2. Significant accounting policies

(a) Basis of accounting

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the requirements of Section 4 of the Treasury Board of Canada Policy on Special Revenue Spending Authorities and the reporting requirements for revolving funds prescribed by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- employees' vacation pay and termination benefits liabilities are based on management's estimate of the liabilities rather than based on actuarial valuations;
- revenues from passport service request fees are recognized upon receipt of payment and verification of an application for completeness as stated in the Regulations prescribing fees for passport services; and,
- funding for capital assets received from Treasury Board is recorded as contributed capital and not as a reduction of the cost of capital assets.

(b) Revenue recognition

Revenues from passport fees are recognized upon request for a passport service, which is upon receipt of payment and verification of the passport application for completeness.

Deferred revenues are recognized for those passport applications for which the passport service request fee has been collected and deposited, but the applications have not been verified for completeness, as at March 31.

(c) Inventories

The inventory of materials and supplies is carried at cost using the average cost method.

(d) Capital assets

Capital assets are recorded at cost and amortized on a straight-line basis over their estimated useful lives, as follows:

<u>Category</u>	<u>Estimated useful life</u>
Capital projects	Once in service, in accordance with asset category
Furniture	10 years
Electronic data processing (EDP) equipment	3-5 years
Other machines and equipment	5 years

Leasehold improvements are included in capital projects and are amortized on a straight-line basis on the lesser of the remaining term of the lease or estimated useful life of the improvement.

Expenditures associated with the Technology Enhancement Plan Project (TEP) are capitalized. The project costs have been separated in four categories, which are amortized on a straight-line basis over the estimated useful life of each category as follows:

<u>Category</u>	<u>Estimated useful life</u>
Technology Enhancement Plan Project	
Machines and equipment	10 years
System	4 years
Furniture	10 years
EDP equipment	4 years

(e) Employee termination benefits

Employees of Passport Canada are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

Passport Canada Revolving Fund— *Continued*

NOTES TO THE FINANCIAL STATEMENTS— *Continued*

(f) Pension plan

Employees of the Fund are covered by the *Public Service Retirement Pension Plan* (the Plan) administered by the Government of Canada. Under present legislation, contributions made by Fund to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

(g) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. The more significant areas requiring the use of estimates relate to employee termination benefits and to accrued liabilities. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(h) Financial instruments

The fair value of financial instruments approximates costs unless otherwise specified. The Fund's financial instruments consist of accounts receivable, accounts payable, accrued liabilities and employee termination benefits. It is management's opinion that the Fund is not exposed to significant interest, currency or credit risks arising from those instruments.

3. Capital assets and accumulated amortization

	Balance, beginning of the year	Acqui- sitions	Disposals transfers and adjustments	Balance, end of the year
(in thousands of dollars)				
Capital assets				
Technology				
Enhancement				
Plan Project	33,877			33,877
Capital projects	76,714	27,152	(8,157)	95,709
Furniture	84			84
EDP equipment	6,969	1,792	6,739	15,500
Vehicles		18		18
Other machines and equipment	329	3	1,418	1,750
	117,973	28,965		146,938
Accumulated amortization				
(in thousands of dollars)				
Technology				
Enhancement				
Plan Project	33,799	40	33,839	38
Capital projects	45,223	10,082	55,305	40,404
Furniture	65	9	74	10
EDP equipment	5,954	2,010	7,964	7,536
Vehicles				18
Other machines and equipment	246	285	531	1,219
	85,287	12,426	97,713	49,225

The capital projects category includes leasehold improvements.

4. Net assets

	2008	2007
(in thousands of dollars)		
Accumulated net charge against the Fund's authority	(71,556)	(60,754)
Accumulated surplus	57,334	52,571
Contributed capital	47,928	16,276
	33,706	8,093

Accumulated net charge against the Fund's authority:

Accumulated net charge against the Fund's authority is the cash position of the Fund, held by the Government on the Fund's behalf.

Accumulated surplus:

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening net assets of \$746,000 upon establishment of the Fund.

Passport Canada Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

Contributed capital:

In the year, Passport Canada received \$31,652,000 (2007—\$3,780,000) from Treasury Board to fund capital projects, principally for National Security Initiatives and to address recommendations from the Office of the Auditor General.

5. Commitments

Passport Canada rents office premises and other office equipment under long-term operating leases, which expire in 2018. Future minimum lease payments by year are approximately as follows:

(in thousands of dollars)

2009	33,665
2010	7,545
2011	6,056
2012	4,308
2013	3,765
2014 and thereafter	11,774
	<u>67,113</u>

6. Related party transactions

Through common ownership, Passport Canada is related to all Government of Canada created departments, agencies and Crown corporations. Payments for passport operations at missions abroad, accommodation and legal services are made to related parties in the normal course of business. All related party transactions are accounted for at the exchange amount, which represents the consideration agreed to by both parties.

As part of its operations Passport Canada, which is an agency of the Department of Foreign Affairs and International Trade (DFAIT), collects Consular fees on behalf of DFAIT Consular Affairs division. These fees are not recorded as revenues in the statement of operations and change in net assets. In 2008, the Fund collected and remitted to DFAIT \$93,760,600 (2007—\$73,870,000) in consular fees.

7. Changes in current assets and liabilities

2008 2007
(in thousands of dollars)

Assets:		
Accounts receivable — Government of Canada	(10,320)	(3,314)
Accounts receivable — Outside parties	265	212
Prepays	(3,378)	568
Inventories	(3,178)	748
Accounts payable and accrued liabilities:		
Government of Canada	839	1,975
Outside parties — Accounts payable	6,167	1,758
Outside parties — Vacation pay	602	384
Outside parties — Contractors' holdbacks	119	92
Deferred revenues	(2,022)	2,221
	<u>(10,906)</u>	<u>4,644</u>

8. Comparative figures

Certain of the prior year's figures have been reclassified in order to conform to the presentation adopted in the current year.

Real Property Disposition Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Real Property Disposition Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government

funds and safeguard the assets under the Fund's administration. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority provided and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Real Property Disposition Revolving Fund—Continued

AUDITORS' REPORT

TO THE CHIEF AUDIT EXECUTIVE AND DIRECTOR
GENERAL OF EVALUATION PUBLIC WORKS AND
GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Real Property Disposition Revolving Fund (the "Fund") as at March 31, 2008 and the statements of operations and net assets and cash flow for the year then ended. These financial statements are the responsibility of the management of the Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the

accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2008 and the results of its operations and its cash flow for the year then ended in accordance with generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Disposition Revolving Fund ("the Fund") provides, on a cost recovery basis, routine disposals of real property assets no longer required in order to generate revenue for the Crown.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, the total of which is not to exceed \$5,000,000 at any time.

All proceeds of sale are deposited to the Consolidated Revenue Fund net of disposal costs and expenses. In accordance with the terms and conditions approved by the Treasury Board, any year-end accumulated surplus in the Fund in excess of \$5,000,000 is deposited to the Consolidated Revenue Fund. The amount transferred to the Consolidated Revenue Fund in 2007-2008 was \$8,796,426 (2006-2007: \$6,741,867).

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Revenues are recognized in the period in which both the title is transferred to the purchaser and the full payment is received by the Fund.

(c) Work in process

Work in process includes labour and disbursements incurred for services performed or goods delivered for sales or transfers of properties not finalized at the fiscal year-end.

(d) Deposits on disposals

Deposits on disposals represent receipts on future disposals of properties that are not closed at the fiscal year-end.

Real Property Disposition Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

3. Net assets

The accumulated surplus is the accumulation of each fiscal year's surpluses since the inception of the Fund. The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

	2008	2007
	(in thousands of dollars)	
Accumulated surplus, beginning of year	5,000	5,000
Net results	8,796	6,741
Transfer of part of the accumulated surplus to the Consolidated Revenue Fund (Note 1) . . .	(8,796)	(6,741)
Accumulated surplus, end of year	5,000	5,000
Accumulated net charge against the Fund's authority account, end of year	(1,912)	(1,594)
	3,088	3,406

4. Changes in working capital

Current liabilities	607	203	404
			318

5. Financial instruments

The Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Real Property Services Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Real Property Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of government funds and safeguard the assets under the Fund's administration. Management also seeks to

assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority provided and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Real Property Services Revolving Fund— Continued

AUDITORS' REPORT

TO THE CHIEF AUDIT EXECUTIVE AND DIRECTOR
GENERAL OF EVALUATION PUBLIC WORKS AND
GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Real Property Services Revolving Fund (the "Fund") as at March 31, 2008 and the statements of operations and net assets (liabilities) and cash flow for the year then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2008 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Fund and the Treasury Board to comply with Section 6.4 of the Policy on Special Revenue Spending Authorities. The financial statements are not intended to be and should not be used by anyone other than specified users or for any other purpose.

Real Property Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Services Revolving Fund (“the Fund”) provides, on a fee-for-service basis, optional real property services to other custodian departments and to other departments and agencies requesting services over and above those provided under the Federal Accommodation and Holdings Service Line program. More specifically, the Fund looks after architectural and engineering activities, property management, holdings and divestiture, and support services.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$150,000,000 at any time.

The Fund receives funding by way of a separate vote, to cover the net draw down authority used in order to comply with the Policy on Special Revenue Spending Authorities. The amount received in 2007-2008 was nil (2006-2007: \$8,903,266).

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because the employee termination benefits liability is based on management’s estimate of this liability rather than based on actuarial valuations.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Revenues earned on professional and technical services performed and revenues to recover disbursements made on behalf of other government departments and outside parties are recognized as costs are incurred by the Fund.

(c) Expenses

Overhead chargeback, corporate and administrative services and occupancy costs are based on the budgeted direct service delivery personnel costs as determined in the 2007-2008 Budget Framework for the Fund and the Federal Accommodation and Holdings Program Activities of Public Works and Government Services Canada.

(d) Inventories

Inventories are valued at cost and are recorded on a first-in, first-out basis.

(e) Pension plan

Employees of the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada’s portion of the pension cost is included in the employee benefits charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(f) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

3. Other assets

	2008	2007
	(in thousands of dollars)	
Goods and services tax refundable advances	7,586	9,246
Other advances	20	7
Prepaid expenses	9	3
Inventories		58
	<u>7,615</u>	<u>9,314</u>

Real Property Services Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

4. Net assets (liabilities)

The accumulated surplus (deficit) is the accumulation of each fiscal year's surpluses and deficits since the inception of the Fund. The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

	2008	2007
	(in thousands of dollars)	
Accumulated deficit, beginning of year	(5,831)	(1,543)
Net results	7,059	(13,191)
Recovery of net draw down authority used (Note 1)		8,903
Accumulated surplus (deficit), end of year	1,228	(5,831)
Accumulated net charge against the Fund's authority account, end of year	8,731	(18,565)
	9,959	(24,396)

5. Contractual obligations

The Fund is engaged in contractual obligations for property services. Expected future payments are as follows:

(in thousands of dollars)

Year ending March 31,	
2009	253,042
2010	41,112
2011	20,411
2012	18,469
2013 and thereafter	85,389
	418,423

6. Contingent liabilities

Multiple claims have been made against the Fund in the normal course of operations. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense is recorded in the financial statements. A material claim where the outcome is not determinable is described below.

A statement of claim has been filed against the Crown and other parties alleging damages of \$39.7 million in connection with an implied breach of contractual obligations. The Crown has filed its statement of defence. The Crown is unable to assess the possibility of settlement and the amount at risk or estimate the amount of any settlement. No accrual for this contingency has been made in the financial statements.

7. Gross revenues

	2008	2007
	(in thousands of dollars)	
Recoverable disbursements made on behalf of clients	892,001	821,459
Project fees	133,217	139,308
Payroll recoveries	6,785	10,007
Inventory management fees	2,381	3,095
Other revenues	2,195	989
	1,036,579	974,858

8. Changes in working capital

	2008	2007	Changes
	(in thousands of dollars)		
Current assets	194,315	202,219	7,904
Current liabilities	173,348	208,661	(35,313)
			(27,409)

9. Financial instruments

The Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Telecommunications and Informatics Common Services Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Telecommunications and Informatics Common Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to

provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority provided and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Telecommunications and Informatics Common Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Telecommunications and Informatics Common Services Revolving Fund ("the Fund") provides network and infrastructure services, voice telecommunications services, satellite services and managed services.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$20,000,000 at any time.

On November 30, 2006, the Fund received authorization from the Treasury Board to contribute \$19,000,000 from its accumulated surplus for the implementation of Budget 2006 expenditure restraint measures.

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because the employee termination benefits liability is based on management's estimate of this liability rather than based on actuarial valuations.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Revenues earned on telecommunications and informatics services are recognized as costs are incurred by the Fund. Revenues earned on goods purchased from telecom suppliers on behalf of customers are recognized when the goods are delivered to other government departments or outside parties.

(c) Capital assets

Capital assets are recorded at their acquisition cost and amortized on a straight-line basis over the estimated useful life of each asset as follows:

Category	Estimated useful life
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years
Assets under construction	Once in service, in accordance with asset class

(d) Pension plan

Employees of the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefits charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

8. Comparative figures

Certain of the prior year's figures have been reclassified in order to conform to the presentation adopted in the current year.

9. Financial instruments

The Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Translation Bureau Revolving Fund

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Translation Bureau Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Departmental Performance Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of financial management, accounting and reporting. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain

accountability of government funds and safeguard the assets under the Fund's administration. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

With the exception of the statement of authority used and the reconciliation of unused authority, management has presented the financial statements to external auditors who have audited them and have provided an independent opinion which is appended to these financial statements.

Translation Bureau Revolving Fund— Continued

AUDITORS' REPORT

TO THE CHIEF AUDIT EXECUTIVE AND DIRECTOR
GENERAL OF EVALUATION PUBLIC WORKS AND
GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Translation Bureau Revolving Fund (the "Fund") as at March 31, 2008 and the statements of operations and net liabilities and cash flow for the year then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2008 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Fund and the Treasury Board to comply with Section 6.4 of the Policy on Special Revenue Spending Authorities. The financial statements are not intended to be and should not be used by anyone other than specified users or for any other purpose.

Translation Bureau Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Translation Bureau Revolving Fund (“the Fund”) is a Special Operating Agency that provides, on a cost recovery basis, translation, technolinguistic and other linguistic services to the judiciary and federal departments and agencies and, upon request, to other governments in Canada and international organizations.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$10,000,000 at any time.

On April 19, 2007, the Fund received authorization from the Treasury Board to access its unused authority for a total amount of up to \$14,200,000 to allow sustained funding of its investment program (\$6,000,000 in 2006-2007; \$6,200,000 in 2007-2008; \$2,000,000 in 2008-2009). The actual amount used in 2007-2008 was \$3,281,823 (\$4,616,021 in 2006-2007).

On November 30, 2006, the Fund received authorization from the Treasury Board to contribute \$11,000,000 from its accumulated surplus for the implementation of Budget 2006 expenditure restraint measures.

2. Significant accounting policies

The financial statements have been prepared in accordance with the significant accounting policies issued by the Treasury Board. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because:

- the deferred employee termination benefits are based on management’s estimate of this asset rather than based on actuarial valuations; and,
- the employee termination benefits liability is based on management’s estimate of this liability rather than based on actuarial valuations.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenue recognition

Revenues from translation services performed by the Fund for other government departments and external clients are recognized using the percentage of completion method based on the proportion of services provided at year end.

Revenues from the Parliamentary Vote for translation services and revenues for interpretation services are recognized as costs are incurred by the Fund.

(c) Capital assets

Capital assets are recorded at their acquisition cost and amortized on a straight-line basis over the estimated useful life of each asset as follows:

<u>Category</u>	<u>Estimated useful life</u>
Machinery and equipment	3 to 20 years
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years
Assets under construction	Once in service, in accordance with asset class
Leasehold improvements	Lesser of the remaining term of the occupancy instrument or useful life of the improvement

(d) Pension plan

Employees of the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada’s portion of the pension cost is included in the employee benefits charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

An accrual was made for severance entitlements on service prior to April 1, 1995. The asset account “Deferred Employee Termination Benefits” represents benefits earned prior to April 1, 1995. The account is drawn down as benefits are paid to the related employees and become recoverable from the Treasury Board. The Treasury Board will continue to reimburse

Translation Bureau Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

for termination benefits paid by the Bureau, for service prior to April 1, 1995, until March 31, 2010. After March 31, 2010, the Treasury Board has no further obligation to reimburse for benefits paid.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

3. Other assets

	2008	2007
	(in thousands of dollars)	
Goods and services tax refundable advances	328	286
Other advances	25	16

5. Net liabilities

The accumulated surplus (deficit) is the accumulation of each fiscal year's surpluses and deficits since the inception of the Fund. The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

	2008	2007
	(in thousands of dollars)	
Accumulated surplus, beginning of year	2,994	21,319

	<u>(13,684)</u>	<u>(11,921)</u>

6. Contractual obligations

The Fund leases its premises under occupancy instruments. An occupancy instrument is a formal agreement between the Fund and Public Works and Government Services Canada recording the specific details of an individual occupancy and the terms and conditions that govern the provision and occupancy of the accommodation. Expected future payments for the existing occupancy instruments are as follows:

	(in thousands of dollars)
Year ending March 31,	
2009	6,547

	22,522	20,251	(2,271)
Current liabilities	21,793	23,142	(1,349)
			(3,620)

9. Comparative figures

Certain of the prior year's figures have been reclassified in order to conform to the presentation adopted in the current year.

10. Financial instruments

The Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Debts, obligations and claims written off or forgiven

The types of approval/authority for the write-off or forgiveness (including waivers and remissions) of debts, obligations and claims are as follows:

- (i) Ministerial approval represents authority given to Ministers under the *Financial Administration Act* (FAA) or other Acts of Parliament as described in (i)(a), (b) and (c)—
 - (a) Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-off of any debt, obligation or claim other than accountable advances or overpayments of salaries, wages, or employment-related allowances that would not result in a charge to an appropriation.
 - (b) Section 155.1(4) of the FAA gives Ministers, through Treasury Board regulations, authority to waive interest on overdue amounts owing to Her Majesty and to waive administrative charges for dishonoured instruments (e.g. NSF cheques) imposed under section 155.1 of the FAA.
 - (c) Other Acts of Parliament (e.g. *Bankruptcy and Insolvency Act*) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.
- (ii) Treasury Board approval— Section 25(1) of the FAA, through Treasury Board regulations, allows a Minister, with specific Treasury Board approval, to write-off any debt, obligation or claim arising from accountable advances or overpayments of salaries, wages or employment-related allowances that would not result in a charge to an appropriation.

- (iii) Governor in Council and Parliamentary authority—
 - (a) Section 23(2.1) of the FAA states that the Governor in Council may, on the recommendation of the Treasury Board, remit any other debt, including any interest paid or payable thereon, where the Governor in Council considers that the collection of the other debt is unreasonable or unjust or that it is otherwise in the public interest to remit the other debt.
 - (b) Section 24.1 of the FAA requires that where a debt or obligation included in the Statement of Financial Position is to be forgiven, and which would result in a charge to an appropriation, the amount to be forgiven must be authorized pursuant to an Act of Parliament, including an *Appropriation Act*.
 - (c) Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of Financial Position is to be written off, and which would result in a charge to an appropriation, the amount to be written off must be authorized by Parliament as a budgetary expenditure in an *Appropriation Act* or some other Act.

* Order in Council remissions of other debts as defined in section 23(2.1) of the FAA. Additional details regarding remissions of taxes, fees, penalties and other debts are provided beginning on page 2.3 of this section.

⁽¹⁾ See introduction above.

⁽²⁾ Vote L103b, *Appropriation Act No. 1, 1969* authorizes the Minister, in the current and subsequent years, to forgive the repayment of a loan or any part thereof made to parolees for assistance in their rehabilitation.

⁽³⁾ Forgiveness related to the Fairness Package that emanates from the identified statutes.

Accountable advances

Information on accountable advances is required by section 38(3) of the *Financial Administration Act*.

SECTION 3

2007-2008

PUBLIC ACCOUNTS OF CANADA

Professional and Special Services

CONTENTS

	<i>Page</i>
Professional and special services	3.2

PROFESSIONAL AND SPECIAL SERVICES

The following statement presents the total amount spent in the current fiscal year for each main classification of services allocated by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from

transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat) format, at the following URL address: <http://www.tpsgc-pwgsc.gc.ca/recgen/txt/72-eng.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year;

- the total amount spent for each main classification of services; and,
- a detailed listing, for each main classification of services, of the payments (i.e. cash payments and accrued charges) to one individual or one organization aggregating to \$100,000 or over. This detail includes the name and location of the payee, together with the total amount paid.

SECTION 4

2007-2008

PUBLIC ACCOUNTS OF CANADA

Acquisition of Land, Buildings and Works

CONTENTS

	<i>Page</i>
Acquisition of land, buildings and works	4.2

ACQUISITION OF LAND, BUILDINGS AND WORKS

The following statement presents the total amount spent in the current fiscal year by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat)

format at the following URL address: <http://www.tpsgc-pwgsc.gc.ca/recgen/txt/72-eng.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year; and,
- details for contracts of \$250,000 or over (\$25,000 or over for cost plus contracts). Such details include the name and location of the contractor, a brief description and location of the project, the amount contracted, the current year's expenditures (i.e. cash payments and accrued charges) and the total expenditures to date.

SECTION 5

2007-2008

PUBLIC ACCOUNTS OF CANADA

Acquisition of Machinery and Equipment

CONTENTS

	<i>Page</i>
Acquisition of machinery and equipment.	5.2

ACQUISITION OF MACHINERY AND EQUIPMENT

The following statement presents the total amount spent in the current fiscal year for each main category of machinery and equipment by department and agency under each ministry. Amounts reported include both internal and external expenditures.

Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Transfer payments	6.2

TRANSFER PAYMENTS

The following statement presents the total amount spent as transfer payments in the current fiscal year by department and agency under each ministry. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result

from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat) format at the following URL address: <http://www.tpsgc-pwgsc.gc.ca/recgen/txt/72-eng.html>. This information includes for each Government program:

⁽¹⁾ Term to maturity is 20 years, or such lesser period as may from time to time be fixed by the Minister of Finance on recommendations of the Chief Actuary of the Office of the Superintendent of Financial Institutions, redeemable in whole or in part before maturity only at the option of the Minister of Finance.

⁽²⁾ Interest is distributed to the provinces of Ontario and Quebec on the basis of population.

⁽³⁾ Additional information on Deferred revenue specified purpose accounts is provided in Section 5 of Volume I.

⁽⁴⁾ No amount of principal is shown since the closing balance of this liability account is reported with the Foreign Exchange Accounts in Section 8 of Volume I.

SECTION 8

2007-2008

EX GRATIA PAYMENTS

This statement provides, by ministry, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each department and agency, together with the total number of such payments. For

the purposes of this statement, an ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received.

FEDERAL-PROVINCIAL SHARED-COST PROGRAMS

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs completed in the current

year. An (a) adjacent to the total expenditures from inception indicates that the previous year's *Public Accounts of Canada* have been amended. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

	\$	\$	\$	\$	\$
INDIAN AFFAIRS AND NORTHERN DEVELOPMENT					
Indian Specific Claims Commission	385,064	165,815	3,070,782	1,939,175	5,560,836

This Commission was established by Order in Council (PC 1991-1329 dated July 15, 1991) pursuant to Part I of the *Inquiries Act*. The Commission conducts impartial inquiries when a First Nation disputes rejection of their specific claim by the Minister of Indian Affairs and Northern Development, or when a First Nation disagrees with the compensation criteria used by the government in negotiating the settlement of their claim.

PRIVY COUNCIL

Department

Commission of Inquiry into the Actions of Canadian Officials in Relation to Maher Arar				174,612	174,612
--	--	--	--	---------	---------

This Commission was established by Order in Council (PC 2004-48 dated February 5, 2004) pursuant to Part I of the *Inquiries Act*. The Commission is investigating and reporting on the actions of Canadian officials in relation to Maher Arar. The Commission is also to make any recommendations on an independent, arm's length review mechanism for the activities of the Royal Canadian Mounted Police with respect to national security.

Commission of Inquiry into the Actions of Canadian Officials in Relation to Abdullah Almalki, Ahmad Abou-Elmaati and Muayyed Nureddin	249,990	5,515	586,832	4,266,287	5,108,624
---	---------	-------	---------	-----------	-----------

This Commission was established by Order in Council (PC 2006-1526 dated December 11, 2006) pursuant to Part I of the *Inquiries Act* on the recommendation of the Minister of Public Safety and Emergency Preparedness. The Commission is investigating and reporting on the actions of Canadian officials in relation to Abdullah Almalki, Ahmad Abou-Elmaati and Muayyed Nureddin.

Commission of Inquiry into the Investigation of the Bombing of Air India					
Flight 182	932,758	64,516	1,188,003	9,932,990	12,118,267

This Commission was established by Order in Council (PC 2006-293 dated May 1, 2006) pursuant to Part 1 of the *Inquiries Act*. The Commission is investigating and reporting on the aspects of the 1985 Air India Bombing, including key questions raised in Bob Rae's November 2005 report.

PUBLIC SAFETY AND EMERGENCY PREPAREDNESS

Department

Commission for Public Complaints against the RCMP	340,545	41,835			382,380
---	---------	--------	--	--	---------

The Commission for Public Complaints against the RCMP is an independent agency of the federal government established in 1986 by amendments to the *Royal Canadian Mounted Police Act*. Part VI of the *RCMP Act* sets out the structure of the Commission and the duties and responsibilities of its members, who are appointed by Order of the Governor in Council. Part VII sets out the process for the receipt and review of complaints from the public concerning the conduct of members of the RCMP. This process includes the power of the Commission to receive complaints and to send them to the RCMP for investigation and disposition. Part VII also provides complainants with the right to have the RCMP's disposition of their complaints reviewed by the Commission. The review process as set out in Part VII give the Chairman the power to investigate complaints as well as to hold public hearings to inquire into complaints. The Chairman also has the power to initiate complaints when he is satisfied there are reasonable grounds to do so.

Order in Council PC 1986-2904 designates the Commission as a department for the purposes of the *Financial Administration Act* and the *Public Service Employment Act*.

* For details related to current year expenditures, see following statement called—"Travel and living expenses by commission".

Education costs

This statement provides details of education costs incurred in the current year. For the purpose of this statement, an education cost represents the cost of any long-term education activity. A long-term education activity is any training or development activity given to a Government employee and conducted at an educational institution outside of the Public Service that amounted or will amount to a total of 65 working days or more over a maximum period of three (3) years, or that involved or will involve total expenditures in excess of \$25,000 (including salary).

Return on investments

This statement provides details for the current year of the category of other revenues called return on investments. Return on investments consists mainly of interest from loans and advances, dividends from investments, and transfer of profits, as recorded by departments before any adjustments are made. For the purposes of presentation in the financial

statements, amounts shown here for foreign exchange accounts and enterprise Crown corporations have been respectively reclassified to foreign exchange revenues and Crown corporation revenues in Sections 2 and 3 of Volume I and Table 4a of Volume II.

⁽²⁾ On January 1, 2008, the port authorities Fraser River Port Authority, North Fraser Port Authority and Vancouver Port Authority amalgamated to continue as the Vancouver Fraser Port Authority.

Expenditures of Ministers' Offices

On December 12, 2006, the *Federal Accountability Act* amended the *Access to Information Act* to require the head of a department or a ministry of state for the Government of Canada to publish an annual report of all expenses incurred by his or her office and paid out of the Consolidated Revenue Fund. Expenditures presented below are those charged to

the Minister's budget and does not include statutory expenditures such as the Minister's salary and car allowance, civilian termination benefits, or employer contributions to superannuation and benefit plans.

Travel expenses of ministers and parliamentary secretaries

This statement provides details of the travel expenses of ministers and parliamentary secretaries incurred in the current year while on official departmental business. For the purpose of this statement, travel expenses include transportation, accommodation, meals and other expenses. The following items are excluded from this statement:

- travel expenses of ministers' staff, or of other persons travelling with ministers and parliamentary secretaries;
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business;
- travel expenses of Members of the House of Commons serving on various parliamentary committees;

- any moving, transportation and travel expenses paid for by the House of Commons on behalf of its Members. These expenses are reported in a separate statement in Section 11 of this volume entitled "House of Commons—Statement of sessional allowances and travel expenses paid in 2007-2008";
- any Department of National Defence charges for the use of Government aircraft; and
- any travel expenses of Members of the House of Commons for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in Section 11 of this volume entitled "Foreign Affairs and International Trade—Travel expenses for Canadian representation at international conferences and meetings".

British Columbia	9,326,837	3,979,595	13,306,432
Claim cost payment in respect of <i>Merchant Seamen Compensation Act</i>	3,180		3,180
Legal, medical, professional expenses related to Workers' Compensation— 3 rd party claims	31,276		31,276
Claim cost payments to locally engaged employees outside Canada (Section 7)	137,176		137,176
	109,173,640	27,405,418	136,579,058
Less: recoveries			
Claim and administration expenses recovered from Crown agencies	46,272,883	12,775,634	59,048,517
Claim and administration expenses recovered from other Government departments	31,125,176	6,239,848	37,365,024
Claim and administration expenses recovered from the EI account	526,667	105,333	632,000
	77,924,726	19,120,815	97,045,541
Net expenditures ⁽⁴⁾	31,248,914	8,284,603	39,533,517 ⁽⁴⁾

⁽¹⁾ These payments and expenses are charged to a statutory spending authority called "Payments of compensation respecting Government employees (*Government Employees Compensation Act*) and merchant seamen (*Merchant Seamen Compensation Act*)" (see Ministry Summary, section 14 of Volume II).

⁽²⁾ Includes the net payments of compensation respecting:

(a) Government employees (*Government Employees Compensation Act*);

(b) merchant seamen (*Merchant Seamen Compensation Act*); and,

(c) employees of mines now operated by Cape Breton Development Corporation who contracted silicosis prior to acquisition of mines by the Corporation.

⁽³⁾ Represents the federal government's net share of administration expenses of provincial boards.

The claims of federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal government.

Claims of employees resident in the Yukon, Northwest Territories and Nunavut are processed by the Workers' Compensation Board of Alberta.

⁽⁴⁾ Net expenditures agree with the Payments of compensation respecting Government employees and merchant seamen.

⁽¹⁾ This column excludes:

- the travel expenses of ministers and parliamentary secretaries while on official departmental business. These expenses are reported in a separate statement in Section 10 of this volume entitled "Travel expenses of ministers and parliamentary secretaries";
- the travel expenses of Members serving on various parliamentary committees;
- any Department of National Defence charges for the use of Government aircraft; and
- any travel expenses of Members for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in this section entitled "Foreign Affairs and International Trade - Travel expenses for Canadian representation at international conferences and meetings".

⁽²⁾ Relocation, winding-up, resettlement and other expenses.
